ANNUAL DEVELOPMENT & RESEARCH OBJECTIVES

LeadingResiliency™ Strategic Initiative Advisory Board and its key Sponsors set the objectives for the annual partner drive, program development, technology integration, and research focus.

November: Data, Implications, Tactics & Priorities White Paper

PARTNER IMPLEMENTATION & COMMERCIALIZATION

Partners who participated in the Annual Conference will have the opportunity to access the Modules developed for free as Ambassadors. Modules will be commercialized through DeeperEngaged™ Social Pillars. 70% of SaaS revenue goes directly back into social programs.

ANNUAL PARTNER SUMMIT

The Annual Summit in March of each year brings together the leading tech voices and speakers “leading the change” and arm them with their and concepts converted into Navitents for their audience to put into action immediately.

RESEARCH RESULTS & IMPLICATIONS

Research results and implications are published on LeadingResiliency.com
